### Called to the Colors.

As Ossie Griffin was called to go with the boys to camp October 15, on October 6 a host of friends and relatives gathered at the home of his parents, Mr. and Mrs. W. B. Griffin, and gave him a surprise. They went to Sunday school as usual but on returning home found the house full of people. They brought well filled baskets, a table 62 feet long was made in the yard. It was loaded from one end to the other with good things to eat. 125 guests gathered around the table. Those good things disappeared like snow on a warm spring morning. The evening was spent in music. The young people went to the woods for a ramble and on returning enjoyed a talk by Bro. Taze, of the Happy Hill church.

### W. C. T. U. Notes.

On Oct. 6, the Double Branch W. C. T. U. met at Mrs. Wix's with nine members and five visitors present. This Union went "over the top" with their dry alliance subscription. After the meeting they sewed on housewives for the soldier boys. They have nine almost completed. Lest you forget, vote "Yes" on amendment No. 6 on Nov. 5.

### Hun Vandals Destroy Priceless Forest More Than 1,000 Years Old.

Paris, Oct. 11.—When the Belgian troops broke through the formidable enemy defense and occupied the famous forest of Houthulst, they found that great wooded area had been destroyed. Not a single tree remained standing throughout the vast domain. Houthulst dates historically from the Ninth Century. It extends from Dixmude to Ypres and covered 200 square miles. Throughout the entire region utter desolation prevails, the charred stumps of trees extending for miles over the blackened landscape.
